MAN: I have no idea now, I just had to drop off four-one (Inaudible) to the terminal.

MAN: Okay, roger. Eight-two (Inaudible).

MAN: (Inaudible) just went by.

MAN: Newark (Inaudible)

MAN: Go ahead, Chris.

MAN: Uh, we're trying to find Jersey City (Inaudible) the left lane.

MAN: Roger. Approaching the skyway, (Inaudible) in Jersey City, nothing yet, thank you.

MAN: That's going to be the Turnpike extension bridge, Turnpike extension bridge.

MAN: Okay, roger. Eight-two (Inaudible) to Newark

MAN: (ALARM NOISE) Newark to anybody, I'm at tower (Inaudible), gotta close off.

MAN: Okay, thank you.

MAN: Also for your information, I'm not letting anybody in.

MAN: Roger, no one comes in, Tommy. Do you have a (Inaudible)

MAN: Do you have an item in your vehicle, Tommy?

MAN: That's affirmative. I have an item, not a (Inaudible) though.

MAN: Okay, roger, thanks.

MAN: (Inaudible) security system.

MAN: Go .

MAN: Guys (Inaudible) Newark.

MAN: The only ones allowed in here are eight-two's, C-A's, Four-E's, that have the proper ID. Any civilians that need to come in here for business, that cannot happen. Copy?

MAN: Roger, what I want to do is send a federal service employee near the (Inaudible) so they can verify that each individual is an employee. They know them by face.

MAN: Roger, we can do that .

MAN: (Inaudible) (AUDIO GARBLED)

MAN: Newark, (Inaudible) correction, I think you're (Inaudible)

MAN: Okay, thank you.

MAN: (Inaudible) (AUDIO GARBLED)

MAN: (AUDIO GARBLED)

MAN: Eighty-five, meet me at the Holland Tunnel, not to go over to New York . M-Z-I , from Newark. (PAUSE)

MAN: Go ahead, M-Z-I.

MAN: Do not go through the Holland Tunnel. Stay at that location for eight-zero (Inaudible) copy?

MAN: Roger, will stay at the entrance of the Holland Tunnel, copy.

MAN: Roger, there's a parking lot, employee parking lot, on thirteen and Cohort, one-three and Cohort, that we can stage over there, and get a move-up order.

MAN: Newark security, tower (Inaudible), we have a bus here. Did we order one for transportation, over.

MAN: That's affirmative, Tommy.

MAN: Roger, (Inaudible) go out and redirect the entrance to (Inaudible) parking lot.

MAN: Could you verify that it's the correct person.

MAN: Okay, roger.

MAN: He said it was for transportation for us, correct?

MAN: That's affirmative. He (Inaudible) drivers, driving one of our roads, Newark International Airport buses.

MAN: Okay, just tell them to pull out in front of building ten, we'll have somebody go out there and meet them.

MAN: Am I too far north .

MAN: (Inaudible)

MAN: I'm a little bit busy. Is that courtyard in Terminal A the first one or the second one coming in?

MAN: (Inaudible) leave the A-1 courtyard. It was a fingernail that was ripped off an individual finger.

MAN: Roger, (Inaudible), going to check out the (Inaudible).

MAN: Okay, thank you.

MAN: Eight-zero, Sector Security. (PAUSE)

MAN: Eight-zero, Newark. (Inaudible) eight-zero. See if you can arrange for that security.

MAN: That's emergency, eight-forty-, ASAP.

MAN: Eight-zero, (Inaudible) security is at Tower Road. He has that road closed down, copy?

MAN: That's affirmative. We're at the bus now, we're heading towards (Inaudible).

MAN: (Inaudible) transport over to the World Trade.

MAN: Roger, Sector Security , you're going to be our escort vehicle on the bus. (Inaudible), can you either (Inaudible) close off Tower Road, heading to (Inaudible).

MAN: Newark, eight-nine is here. I'll take that over.

MAN: (Inaudible), okay, roger. Eight-zero, are you going to need Sector Security to give you escort to where, the Holland Tunnel?

MAN: (Inaudible) the dispatcher.

MAN: Ten to security. You got your fire units on .

MAN: Eight-zero, (Inaudible) one, we're going to have eight-nine stoke that up for (Inaudible) security (Inaudible), we've got a gentleman in the car and everything is ready to go (Inaudible).

MAN: All right. So we can use eight-nine (Inaudible) Sector Security, received.

MAN: Roger. Eight-nine, you copy?

MAN: Eight-nine, copy, (Inaudible) building ten, correct?

MAN: That's affirmative. (PAUSE)

MAN: Clay-one, give me a five-zero on that (Inaudible) level

MAN: Donald, give me a few minutes. I'm coming over with a couple cars. I've got to (Inaudible) out of town who is driving it.

MAN: Roger, understand.

MAN: (Inaudible) (AUDIO GARBLED)

MAN: (Inaudible) by.

MAN: John, (Inaudible) one, stand by truck one, pick up.

MAN: (AUDIO GARBLED)

MAN: Ten-three to Newark.

MAN: Dump truck ... Tower Road ... is someone going to have to block the road off?

MAN: (Inaudible) response by PA police.

MAN: Stand by, one, stand by. (PAUSE)

MAN: (Inaudible)

MAN: M-I, two-five, Newark. (PAUSE)

MAN: M-P-2, to Newark.

MAN: Bobby, can you have those two trucks stand by at your location until we know exactly where we are going to put them?

MAN: Okay, that's what I'm going to do now.

MAN: I'll get (Inaudible). (PAUSE)

MAN: Eight-zero, (Inaudible) on the air.

MAN: Eight-zero.

MAN: Holland Tunnel toll lane, is that where you want me?

MAN: Negative. Make a transition to the employee parking lot, (Inaudible) the toll lanes. It's one-three and Powbo, one-three and Powbo, you're on (Inaudible) right now.

MAN: (Inaudible) over there, we're (Inaudible).

MAN: (Inaudible), FBI also.

MAN: (Inaudible), Fire Marshal and AIU.

MAN: (Inaudible) Newark.

MAN: Go ahead. (PAUSE)

MAN: (Inaudible) MIT-5 that co-one, Terminal A, (Inaudible)

MAN: Ten-five, thank you very much.

MAN: You're welcome. And I want to advise (Inaudible) that if you want, Georgie, you go and (Inaudible) outside (Inaudible) myself, I know you're very busy with that.

MAN: Okay, roger, thanks.

MAN: Eight-zero, staff Newark for the record, (Inaudible) copy (Inaudible), we'll be out of here (Inaudible).

MAN: Okay, roger, thank you.

MAN: Hotel, Newark. All vehicles are moved from the lobby level, affirmed? Including diplomats, affirmed?

MAN: That's affirmed, everyone goes. Everybody.

MAN: Newark, did you get a copy on Captain Alvin, send them out to the bus (Inaudible).

MAN: Eight-nine-alpha, E-one.

MAN: Go E-one.

MAN: I need to check position on Patrol Road. Sweep Patrol Road between guard post hotel, and guard post engine, copy?

MAN: That's a copy. (PAUSE)

MAN: (SIRENS) This is unit (Inaudible).

MAN: Go ahead, eighty-one.

MAN: John, tell your units you've got your (Inaudible)

MAN: Roger, (Inaudible) Sector three, (Inaudible) from the building, report all units. (40:44) (PAUSE)

MAN: Newark, A-one-bravo, we're off at West Side and ... and Barclay. We can't get near the building, but we've got debris flying all over the place. Have all responding units (Inaudible)

MAN: Newark, show Sector Seven and Sector One (Inaudible) officers ... Barclay and Vesey, also.

MAN: (Inaudible) at Newark, if possible, have (Inaudible) units identify the family point for PAPD, and inform our ... the (Inaudible) units on that.

MAN: A-one (Inaudible) Lane.

MAN: Go ahead. (PAUSE)

MAN: Be advised, we're on West Broadway and West street.

MAN: All right, make your way down. You're going to be directed. Sergeant Pellato is directing traffic. You just can't get near the place, because of the debris that's, uh ... that's spilling down.

MAN: (Inaudible)

MAN: Go ahead. (PAUSE)

MAN: Hold on, respond to (Inaudible), stand by. (PAUSE)

MAN: A-1 patrol. (PAUSE) M-P-1, A-1 patrol. (PAUSE)

MAN: Go. (PAUSE)

MAN: M-P-1, maintain a position in the area of guard post Juliet.

MAN: (Inaudible) copy.

MAN: (AUDIO GARBLED)

MAN: (Inaudible) the air on portable, we're (Inaudible) at this time.

MAN: (Inaudible) Newark. (PAUSE)

MAN: Eight-zero-six, Newark. (PAUSE)

MAN: Go ahead, eight-zero-six.

MAN: All right, get on the radio and have the responding units to Newark Airport, (Inaudible) give them a (Inaudible) three-zero there, that's F-1 .

MAN: (Inaudible) from Newark Airport. Please (Inaudible) task one (Inaudible), that's task one. (LONG PAUSE) (44:29)

MAN: (Inaudible) calling!

MAN: Go ahead.

JOHN: A-2, (Inaudible) pick me up! They're turning away (Inaudible), the corner of Barclay and Greenwich Street, copy?

MAN: (Inaudible), John, say it again, please, say it slow. .

JOHN: Ten-one, we are at the corner of Barclay and Greenwich Street, copy?

MAN: Roger. A-1 (Inaudible).

MAN: (AUDIO GARBLED)

MAN: A-2 McLennan, desk, Barclay and Greenwich Street. Any chance of picking him up?

MAN: I'm in the courtyard now, (Inaudible) if he can't find his way down here, (Inaudible).

MAN: Okay, roger. A-2 to (Inaudible).

MAN: Roger.

MAN: And everyone is off that ... out of that vehicle.

MAN: A-1 (Inaudible) to two, just walk towards the bridge area. (PAUSE)

MAN: Sector One, Newark, is there any contact with CPV, as to where they want all the officers? (PAUSE)

MAN: Newark, the scene down here is like chaos. We've got people coming out of the buildings, on the upper levels, checking transmissions to Newark. (PAUSE)

MAN: Newark (Inaudible).

MAN: Newark (Inaudible).

MAN: (Inaudible) A-15, Baker, up at monitoring station. I'll be going up.

MAN: Roger, canine.

MAN: (Inaudible), this is eight-one Baker.

MAN: Just have all units use collections, numerous debris coming from the upper levels -- including bodies. (PAUSE)

MAN: Use precaution. A lot of debris coming from that bridge. (PAUSE) (49:12)

MAN: A-2 McLennan.

MAN: Go ahead.

MAN: (Inaudible) copy?

MAN: Okay, received. (PAUSE)

MAN: Hey Newark, did we identify the Command Post location in Manhattan yet?

MAN: That's a negative.

MAN: Eight-one Victor, I'm trying to make my way to the Command Post, at (Inaudible) set up , where the, uh ... where the other command post was during the (Inaudible) blast. Keep me advised.

MAN: Received. Newark, just for consistency, we're just looking to identify one location that we all can operate out of, all right?

MAN: Roger, understand. (50:29)

MAN: Okay, eight-one, (Inaudible) copy. (PAUSE) (51:00)

MAN: Eight-five to (Inaudible), eight-five, copy, (Inaudible). (PAUSE)

MAN: Eight-five (Inaudible), eight-five, copy, (Inaudible).

(SOUNDS SUCH AS ATTEMPTED TRANSMISSION)

MAN: Newark desk, eight-five.

MAN: Go ahead.

MAN: We've got, (Inaudible) six-three-hundred. They're trying to contact by pager, but we can't get through on the telephone. Advise what they are requesting. (PAUSE)

MAN: A-1 patrol, all units, all units. Maintain a radio minimum. Any transmissions with relation to incidents should be curtailed. Copy? Keep radio transmissions to a minimum. No radio transmissions about a particular incident.

MAN: Eight-five, seven (Inaudible).

FEMALE: (Inaudible).

MAN: Go ahead, Miller.

MAN: Okay, Bobby, I have them on the phone, what do you need?

MAN: He paged me, but I can't get through on the cell phone. (PAUSE) (53:06)

MAN: Okay, that was, uh ... (Inaudible) ... emergency (Inaudible). (PAUSE)

MAN: A-1 Brosky, out here.

MAN: Go for A-1 Brosky.

MAN: What's your location?

MAN: We're on, uh ... West Street and Vesey Street.

MAN: (Inaudible) the corner by the (Inaudible).

MAN: (Inaudible), we're right by the emergency truck. (PAUSE)

MAN: Jensen two , Sector Security, to Newark.

MAN: Go ahead, Newark ... security.

MAN: Do you have individual names outstanding ... if so, you should get manager of the tower to let them through.

MAN: Roger, (Inaudible) Al Jennings ... come to (Inaudible), so he's not (Inaudible).

MAN: Okay, thank you.

MAN: (Inaudible), to eight-one, Bravo.

MAN: Go, eight-one, Bravo.

MAN: Okay, we're at West Street and Vesey Street, with Lieutenant (Inaudible), until we can find the main Command Post, we're, uh ... stationed here. We are not making any

move into the, uh, building area at all. Everybody is holding back, all New York City fire ... because they've still got a multitude of burning debris coming down.

MAN: Roger. West and Vesey, thank you.

MAN: West Street (Inaudible) blocked off, so we're (Inaudible) up here, if they want to make the approach, uh, they're going to have to park and walk. (PAUSE)

MAN: A-1 (Inaudible) to (Inaudible), we're on track 1.

MAN: Sector seven to Sector one, A-2 Burns? (56:38)

MAN: Go (Inaudible).

MAN: We've got our Command Post, we're at Vesey and West Street. The main Port Authority Command Post, Vesey and West Street at this time.

MAN: Roger, thank you, sir.

MAN: Sector seven, sector one to Burns. (PAUSE)

MAN: (Inaudible) sector nine, at the Command Post, have all the Port Authority units (Inaudible) through West Street and (Inaudible) we're in the telephone building, copy?

MAN: (Inaudible), Roger. All units ... all Port Authority units or Newark Airport units, respond to the guard post at West and Vesey Street, as per eight-one and the Inspector. At West and Vesey Street, for the command post. (PAUSE)

MAN: Inspector seven, eight-two, Burns, one, come up on the air.

MAN: Seven, I see Burns, go.

MAN: West Street (Inaudible) the Command Post. Copy?

MAN: He's going to OCC , now.

MAN: Have him come down to West Street, to the Command Post.

MAN: Copy. (PAUSE) (59:07)

PO JOHN KANNUZO: Yeah.

KIM: Yeah, they said another plane went down in Pennsylvania. 2:33:39

PO JOHN KANNUZO: Yeah, and they shot another one down in Virginia, that they thought was headed for the Pentagon.

OFFICER'SWIFE: So they said it did hit half the Pentagon.

PO JOHN KANNUZO: Yeah, that was ... that was the third plane.

FEMALE: Hold on. What do you need to tell him? Anthony, come on, we've got to go. The outer bridge is closed, so Uncle Johnny has to come here. This is too scary, John. My heart ... my heart is (Overlap)

PO JOHN KANNUZO: We won't be getting paid for awhile. 2:34:00

FEMALE: What do you mean?

PO JOHN KANNUZO: Well, what do you mean? The Trade Center is gone, Kim. That's where they write our checks.

FEMALE: Oh, my God.

PO JOHN KANNUZO: So we are going to have to call the mortgage company and stuff like that, you know?

FEMALE: Well, this is sad.

PO JOHN KANNUZO: They shut down our country, Kim.

FEMALE: I know they did, John, but I don't understand, why didn't they close the school?

PO JOHN KANNUZO: (Inaudible)?

FEMALE: Yeah.

PO JOHN KANNUZO: There's no immediate danger, Kim, they're not going to go after the school.

FEMALE: Yeah, but John, supposing they ...

PO JOHN KANNUZO: Well, it could be nationwide. I mean, who knows? You think they're going to Matawan.

FEMALE: But John ... suppose they just do the bombs, and that's it. Kill us all.

PO JOHN KANNUZO: Well, do you think there is a difference being (Inaudible)?

OFFICER'SWIFE: I don't know. I don't know. You got these people coming, let's face it, running all over the place, (Inaudible) the city.

PO JOHN KANNUZO: Yeah.

FEMALE: Annette was hysterical, she called me. How bad is (Inaudible) ... "Well, I don't know what we are going to do." I go, "Goodbye, I gotta go." Oh, God.

PO JOHN KANNUZO: All right, I'll call you later.

FEMALE: Call me later.

PO JOHN KANNUZO: All right, try to keep him busy there.

FEMALE: Yeah, I am.

PO JOHN KANNUZO: All right.

FEMALE: All right? I'm just very, very nervous here.

PO JOHN KANNUZO: All right, see you later.

NANCY: Hello?

PO JOHN KANNUZO: Yeah, Nancy.

NANCY: Hi, nothing.

PO JOHN KANNUZO: Nothing.

NANCY: Nope.

PO JOHN KANNUZO: Oh, boy.

NANCY: (Inaudible) There was a point where I didn't know where he was or where David was. I hope their friend Bill is okay, because he works at the financial ... you know, at the World Trade Center.

PO JOHN KANNUZO: Andy was in One World Trade Center when the first plane hit?

NANCY: No, he was in ... he was in the second one. But then he called me and he says they just blew up the second one. He says, "I'm getting outta here." And then he called me from the office when the building collapsed, the first one collapsed.

PO JOHN KANNUZO: So he was outta there.

NANCY: Yeah, he's outta there. No, no, he was outta there, it's just I don't know where he is at this point, I don't know, because there is no answer at his office. So I don't know if they evacuated the building, and he is walking up.

PO JOHN KANNUZO: Okay.

NANCY: And, you know, all that smoke, they're talking about smoke inhalation and debris.

PO JOHN KANNUZO: Okay.

NANCY: I'm just worried.

PO JOHN KANNUZO: Well, you know, at least he's out of the area.

NANCY: Oh, yeah, yeah. No, no, thank God.

PO JOHN KANNUZO: Okay.

NANCY: David's on his way in Staten Island, so that's okay.

PO JOHN KANNUZO: Okay.

NANCY: You should start calling your mother.

PO JOHN KANNUZO: I ... I don't have a number where (Overlap)

NANCY: Oh, you don't have Diane's number?

PO JOHN KANNUZO: No.

NANCY: I mean ...

PO JOHN KANNUZO: Well, they're out of there, they went to Maine.

NANCY: They left already? No, they were staying a day or two.

PO JOHN KANNUZO: No.

NANCY: Well, I don't know.

PO JOHN KANNUZO: Maybe I'll try calling them.

NANCY: Bye.

PO JOHN KANNUZO: All right, good. At least I know he's out of there.

FEMALE: Hello?

AIRPORT OFFICER BEN: Hi. 2:49:15

FEMALE: Hi.

AIRPORT OFFICER BEN: Can you believe all this?

FEMALE?: Oh, my God.

AIRPORT OFFICER BEN: It's ... it's a nightmare.

FEMALE: I know it is. Hold on one second. (PAUSE) Ben

AIRPORT OFFICER BEN: Yeah. There's planes crashing all over the country.

FEMALE: Okay, where now?

AIRPORT OFFICER BEN: Huh?

FEMALE: Where now?

AIRPORT OFFICER BEN: One in Pittsburgh, another one that just went down in, uh ... Virginia. Then they got ... they claim there's still four more up in the air.

FEMALE: Oh, my God.

AIRPORT OFFICER BEN: Big planes, 300 people on each one of them.

FEMALE: Oh, my God.

AIRPORT OFFICER BEN: They're crashing all over the place.

FEMALE: Where in Pittsburgh?

AIRPORT OFFICER BEN: I'm not sure where. Uh ... somewhere.

FEMALE: Because I had heard it was, you know, just flying around. So did they crash?

AIRPORT OFFICER BEN: One in Virginia by Camp David, down there. They tried to ... they tried to ... they say the Pentagon.

FEMALE: Oh, yeah, the Pentagon, hit ... that's collapsed.

AIRPORT OFFICER BEN: Yeah.

FEMALE: You know, I mean, Pennsylvania schools all ... they are closing the Pennsylvania schools, right now they don't know about, you know, here. Duane called me and he's going to pick Billie up and bring her here.

AIRPORT OFFICER BEN: Right. So I ... I imagine they're going to keep us till tomorrow at the very least, you know?

FEMALE: Oh, I would think you're going to have overtime up the kazoo all week.

AIRPORT OFFICER BEN: Oh, yeah, they're going to ... every airport in the country is closed down right now.

FEMALE: Yeah, yeah. What about all these ... now what happens to these people who are already on the planes, that were coming in from someplace?

AIRPORT OFFICER BEN: They're flying them to Canada, they are flying them everywhere. They got the whole United States ... every airport in the United States closed down. We're ... this whole airport is evacuated. They are evacuating everybody out of here. All right.

FEMALE: It's so sad, I mean, we were listening to the TV, and the ambulances that were parked 500 feet away.

AIRPORT OFFICER BEN: All the police cars are on fire.

FEMALE: They're all on fire?

AIRPORT OFFICER BEN: Yeah, all the (Overlap)

FEMALE: I know, and there's this AMP girl, watched her friend died, burning alive, in an ambulance. Like oh, my God. I mean, I'm crying listening to all these people. It's like, oh, my God!

AIRPORT OFFICER BEN: Right, so ...

FEMALE: Okay.

AIRPORT OFFICER BEN: All right, okay.

FEMALE: All right. Call me.

AIRPORT OFFICER BEN: I'll see you later ... Samantha is going to get picked up, right? 2:50

FEMALE: Um, yeah, because I ... I had a hard time getting through to the school.

AIRPORT OFFICER BEN: Yeah, try to get an adult to pick her up.

FEMALE: Yeah, Michelle's father or mother is supposed to come.

AIRPORT OFFICER BEN: All right, I'll talk to you.

FEMALE: All right.

AIRPORT OFFICER BEN: Bye.

FEMALE: Bye.

PO JOHN KANNUZO: Huh?

FEMALE: It's so horrible.

PO JOHN KANNUZO: Yeah. Thousands of people dead, Kim. Thousands.

FEMALE: Did Nancy find Andy?

PO JOHN KANNUZO: Yeah.

FEMALE: Yeah?

PO JOHN KANNUZO: Well, she hasn't heard from him. But she knows he was out of the area.

FEMALE: Oh, God. (Inaudible), how are they going to get home?

PO JOHN KANNUZO: Well, she's got his car, so she could drive north and go over the Tappan Zee Bridge, and then come down the pike.

FEMALE: Oh, but they're saying they closed everything.

PO JOHN KANNUZO: No. They closed the bridges and the tunnels.

FEMALE: Yeah.

PO JOHN KANNUZO: How's Anthony, all right?

FEMALE: Yeah.

PO JOHN KANNUZO: Huh?

FEMALE: Yeah, he's cool.

PO JOHN KANNUZO: Yeah, I know. You ... you got it on TV, right?

FEMALE: Yeah, he's been watching it. (Inaudible) every time. I still can't believe that they didn't say anything about the schools. To me that makes like no sense.

PO JOHN KANNUZO: Uh-huh.

PO JOHN KANNUZO: All right.

FEMALE: Did your mother call? No.

PO JOHN KANNUZO: All right, I'm calling her now. I left a message on the machine. I don't know if they were out or they left already. So I just let her know that I'm all right, and David and Andy's all right.

FEMALE: Uh-huh. Okay. All right, call me again, all right?

PO JOHN KANNUZO: All right.

FEMALE: Just so I know what's going on, because I don't want to call there.

PO JOHN KANNUZO: All right.

FEMALE: I can't get in touch with my father.

PO JOHN KANNUZO: Huh. Where could he be? He is in Staten Island

FEMALE: I know.

POLICE DESK - MORALES: Yes.

PO MARK: What's up, are we doing anything with this stuff at the Trade Center?

POLICE DESK - MORALES: Yeah, it looks like we are going to send all the core personnel down, and we are going to red-bag them. I don't know, it happened on the 99th floor, that's all we got.

PO MARK: Well, is it confirmed that the plane went in?

POLICE DESK - MORALES: Um, it ... it's not confirmed. But it looks like it's a small plane, yeah.

PO MARK: Yeah. Got a scenario or anything?

POLICE DESK - MORALES: No, because I was asking about that too. And it ... they're not sure yet.

PO MARK: All right.

POLICE DESK - MORALES: They're not sure whether they are going to need ...

PO MARK: All right, (Inaudible).

POLICE DESK - MORALES: You going to call back?

PO MARK: Yeah. I got my beeper, I'm at home, whatnot. If you need me, you know ...

AUTO SHOP - RUSS: We wouldn't have a portable repeater for the ... hold on.

POLICE DESK - ARTIE SHECKER: Is anybody from the radio shop down there?

AUTO SHOP - RUSS: No, I never heard of such a thing. Call Tom Quinn, he's the radio guy. He's the electrical guy.***

POLICE DESK - ARTIE SHECKER: Yeah, all our radios are out, and the phone, we just got like one line.

AUTO SHOP - RUSS: I'll send somebody over there to get him.

POLICE DESK - ARTIE SHECKER: Okay.

AUTO SHOP - RUSS: And call you back.

POLICE DESK - ARTIE SHECKER: Okay.

AUTO SHOP - RUSS: All right, bye. (LONG PAUSES)

(CALL FROM POLICE DESK)

MAN: Hello?

POLICE DESK: Hello?

MAN: Yeah.

POLICE DESK: Yeah, what's happening?

MAN: Oh, God, I'm taping it. After I got up ...

POLICE DESK: I called you earlier.

MAN: I know, but by the time I (Overlap)

NEWARK AIRPORT – CH. 31 – PHONE – POLICE DESK –RIGHT —961-6230

POLICE DESK: Yeah, I can't stay on the phone too long, because there's only one line or whatever.

MAN: Listen, your ... your headquarters is gone!

POLICE DESK: Yeah.

MAN: Both of them collapsed!

POLICE DESK: Yeah. Yeah.

MAN: I can't believe it.

POLICE DESK: Well, we got guys over there, too.

MAN: What, in there?

POLICE DESK: We sent the ... we sent guys in there.

MAN: No kidding?

POLICE DESK: Yeah.

MAN: How many, a lot?

POLICE DESK: Yeah, about twenty-something guys from the Port (Overlap)

MAN: Well, what can they do? Everything's closed down!

POLICE DESK: And then Greg Brady was over there too.

MAN: Who?

POLICE DESK: Greg Brady.

MAN: Yeah?

POLICE DESK: Yeah.

NEWARK AIRPORT – CH. 31 – PHONE – POLICE DESK –RIGHT –961-6230

MAN: Who's he?

POLICE DESK: Well, the guy from Brooklyn, the funeral director.

MAN: Oh, yeah?

POLICE DESK: Yeah.

MAN: Oh, God! Yeah? Well, you know ...

POLICE DESK: But so far I'm safe. I got word to Barbara earlier.

MAN: Yeah.

POLICE DESK: So ...

MAN: Where is she, at work?

POLICE DESK: Yeah. I don't know how she's getting home.

MAN: Really? There's (Inaudible). God, everything is closed down.

POLICE DESK: Yeah.

MAN: The bridges, the ...

POLICE DESK: Yeah.

MAN: ... going out and ... I don't know what's going to happen. But the (Overlap)

POLICE DESK: Well, she can go to her cousin's.

MAN: Yeah? Oh, yeah?

POLICE DESK: Yeah.

MAN: Right down there, huh?

POLICE DESK: Yeah, so that (Overlap)

NEWARK AIRPORT – CH. 31 – PHONE – POLICE DESK –RIGHT —961-6230

MAN: Huh?

POLICE DESK: You know what the other problem is?

MAN: What?

POLICE DESK: You might have to loan me some money.

MAN: Yeah?

POLICE DESK: Yeah, I don't think we are going to get paid tomorrow.

MAN: No kidding. Oh, yeah, well, all right.

POLICE DESK: They said there was trouble with the ATMs.

MAN: Yeah.

POLICE DESK: So I don't know what I'm doing.

MAN: Oh, God. Sure, well, I put the air conditioner on to see if the air ... let it (Inaudible) here.

POLICE DESK: Okay.

MAN: And like I was (Overlap)

POLICE DESK: But your police radio, that's (Overlap)

MAN: Yeah. It's somewhere wrapped up, but ...

MAN: No kidding!

POLICE DESK: Yeah.

MAN: Can't (Overlap)

NEWARK AIRPORT – CH. 31 – PHONE – POLICE DESK –RIGHT —961-6230

POLICE DESK: Well, they had the repeaters, were up in the World Trade Center.

MAN: No kidding? Yeah. Yeah. But I actually seen the plane crash.

POLICE DESK: Yeah.

MAN: The second one.

POLICE DESK: Through the (Overlap)

MAN: Yeah. First, the first one.

POLICE DESK: Now there's four out there. One just went to the Pentagon, and one went to (Overlap)

MAN: Oh, yeah, that's all ... and then they heard this collapsed, first the (Overlap)

POLICE DESK: The one (Overlap)

MAN: Huh?

POLICE DESK: We're closed, in case anything comes down to us.

MAN: Oh, yeah?

POLICE DESK: Yeah.

MAN: Oh, you're not moving, huh?

POLICE DESK: Well, we don't know where the other plane is, there's four of them.

MAN: What, four planes?

POLICE DESK: Yeah.

MAN: So they took off from your place, huh?

POLICE DESK: No, no, one or two did.

NEWARK AIRPORT – CH. 31 – PHONE – POLICE DESK –RIGHT –961-6230

MAN: Yeah, they said that, yeah.

POLICE DESK: But I don't know how they did it.

MAN: One was from Boston. And then ... well, we (Overlap)

POLICE DESK: I've been trying to call you all morning.

MAN: What?

POLICE DESK: I've been trying to call you all morning, couldn't get through.

MAN: Oh, no kidding?

POLICE DESK: The phone just started ringing.

MAN: Oh, yeah?

POLICE DESK: Yeah. So I just want to tell you I'm safe.

MAN: Okay, good to (Overlap)

POLICE DESK: And when I try to get word to you later, I will.

MAN: Oh, all right.

POLICE DESK: Okay, stay close.

MAN: Yeah, I guess nobody called ... should I call Adeliade and Lucy .

POLICE DESK: Yeah, say you heard from me here.

MAN: Okay.

(VARIOUS TELEPHONE NOISES) (BACKGROUND COMMOTION)

(PHONE RINGING)

PO BOBBY MORRELL: Hello, Newark.

POLICE DESK ARTIE SHECKER: Yes, this is Port Authority, this is Artie at Newark Airport.

PO BOBBY MORRELL: Yeah, this is Bobby Morelli , how are you.

POLICE DESK ARTIE SHECKER: Yeah, surviving.

PO BOBBY MORRELL: Listen, do me a favor.

POLICE DESK ARTIE SHECKER: What?

PO BOBBY MORRELL: PPD wants you to monitor Channel ABLE. They're trying to get in touch with you, but we can't call you. The phones aren't going through to you.

POLICE DESK ARTIE SHECKER: Yeah.

PO BOBBY MORRELL: All right? They want you to call the OEM office, ASAP.

POLICE DESK ARTIE SHECKER: Who?

PO BOBBY MORRELL: The Office of Emergency Management.

POLICE DESK ARTIE SHECKER: Oh, I don't even have a number for that.

PO BOBBY MORRELL: I got it. Let me know when you're ready.

NEWARK AIRPORT – CH. 31 – PHONE – POLICE DESK –RIGHT –961-6230

POLICE DESK ARTIE SHECKER: Okay. (PAUSE)

PO BOBBY MORRELL: All right, it's 201- ...

POLICE DESK ARTIE SHECKER: 201 ...

PO BOBBY MORRELL: 216 ...

POLICE DESK ARTIE SHECKER: 216 ...

PO BOBBY MORRELL: 6587.

POLICE DESK ARTIE SHECKER: ... 6787. What do you want me to do?

PO BOBBY MORRELL: I don't know, they want you to call like ASAP. I have no idea what this is about. I'm just like kind of relaying.

POLICE DESK ARTIE SHECKER: Okay.

PO BOBBY MORRELL: I got an open line with them, but they want you to try to have somebody monitor the channel ABLE so if they try and get in touch with you ...

POLICE DESK ARTIE SHECKER: Oh, I got radio shop in two seconds, hold on.

PO BOBBY MORRELL: Okay.

POLICE DESK ARTIE SHECKER: Hold on. (To personnel at the station) Can we monitor ABLE? PPD wants us to monitor Channel ABLE.

MAN: No.

MAN: We can't monitor ABLE in here. We have portables but it doesn't pick up the signal.

POLICE DESK ARTIE SHECKER: We have a portable, but it doesn't pick up inside the building.

NEWARK AIRPORT – CH. 31 – PHONE – POLICE DESK –RIGHT —961-6230

PO BOBBY MORRELL: I understand, because I'm doing the same thing.

POLICE DESK ARTIE SHECKER: Yeah.

PO BOBBY MORRELL: If you've got somebody with a car, in case they try to get you for whatever ... if they can't contact you, it's the only way they can get you right now.

POLICE DESK ARTIE SHECKER: (To personnel at the station) PPD is trying to get in touch with us on ABLE. Because that's the only way that they can get in touch with us.

MAN: Who's that?

PO BOBBY MORRELL: I got Morelli from Port Newark.

SERGEANT COLLINS: I'll be there in one second.

POLICE DESK ARTIE SHECKER: Okay.

SERGEANT COLLINS: This is Sergeant Collins.

PO BOBBY MORRELL: John, Bobby Morell.

SERGEANT COLLINS: Yeah, Bob.

PO BOBBY MORELL: Listen, I've been on an open line with CPD all morning. They're losing radio contact like kind of all around, and phone contact.

SERGEANT COLLINS: Right.

PO BOBBY MORELL: They can't get you guys by phone.

SERGEANT COLLINS: We have channel ABLE, but we can't get it to receive inside the building. I just walked outside, and saw that it works.

NEWARK AIRPORT – CH. 31 – PHONE – POLICE DESK –RIGHT –961-6230

PO BOBBY MORELL: I understand and if you can ... John, I know it's busy. I know it's crazy. If you can have somebody at least monitor it in the car, so if they try to call you, it's the only way they can get you guys right now.

SERGEANT COLLINS: Okay, good enough.

PO BOBBY MORELL: All right.

SERGEANT COLLINS: Where are you at?

PO BOBBY MORELL: I'm down in Port Newark right now.

SERGEANT COLLINS: All right.

PO BOBBY MORELL: All right, um ... you can call me at my office if you need to call me by phone.

SERGEANT COLLINS: All right.

PO BOBBY MORELL: 274-1767.

SERGEANT COLLINS: Who's that? 6587, who's that? Emergency ... office ... command post?

PO BOBBY MORELL: OEM.

SERGEANT COLLINS: OEM? Okay.

PO BOBBY MORELL: Yeah, they want you to call them ASAP, I don't know what or who.

SERGEANT COLLINS: (Overlap) All right.

PO BOBBY MORELL: I'm just relaying that one.

SERGEANT COLLINS: They want you to call ASAP ... I just gave it to the tour commander.

PO BOBBY MORELL: All right.

SERGEANT COLLINS: All right, thanks, bye.

PO BOBBY MORELL: And then if you gotta get me, you know, like I said (Overlap)

SERGEANT COLLINS: (To personnel at the station) Portable, Channel ABLE, it's on his desk ... have one officer stand outside and monitor it. Because if PPD wants us, that's the only way they can reach us. (PAUSE) All right, it's going to be done. Thanks, Bob.

PO BOBBY MORELL: All right, thanks, Johnny.

SERGEANT COLLINS: Bye.

PO BOBBY MORELL: Bye.

SERGEANT COLLINS: Bob? (DIAL TONE) (PAUSE)

MALE B: Roger, thank you, can you post it? (PAUSE)

****

MALE A: Seven-five to seven-two-oh desk.

MALE B: Seven-five. What's up?

MALE A: (Inaudible) ran PA staff over to Terminal B and A, to evacuate people to the front of the building. Copy? It's not an emergency evacuation, it is an (Inaudible) evacuation, copy? (PAUSE)

MALE B: All right, seven-five, copy. Did (Inaudible) reach you, seven-zero? (PAUSE) Is there any number I can call you? We also want people to get their luggage back, it doesn't (Glitch) that people will be flying today.

MALE A: Copy that. I'm at 6834. (PAUSE)

****

MALE A: Seven-zero, seven-two, Hotel.

MALE B: Go ahead.

MALE A: All right, somebody is making an announcement to evacuate the building right now.

MALE B: Okay, uh, listen to me . What we are doing is not emergency evacuating. We are encouraging passengers to the front of the building so they can get picked up. They will not be able to leave the state of New Jersey, copy?

MALE A: Roger. I understand that. I don't know who it is that's making this announcement over the PA though, that they are evacuating ... they are saying to evacuate the building.

MALE B: Okay, it may be (Glitch) Let's try to (Glitch) any struts , of any passengers. Let's try to get everyone to bank that, copy?

MALE A: Roger.

****

MALE A: (Inaudible) two, four-nine, Bravo. (PAUSE)

MALE B: Terminal nine-four.

MALE C: Nine-five, two-two (Inaudible).

FEMALE: Go (Inaudible) two.

MALE C: (Inaudible) two to four-six-seven please.

FEMALE: (Inaudible) six-seven.

MALE C: (Inaudible) one ramp.

MALE D: Go for (Inaudible) one.

FEMALE: (Inaudible)

MALE C: Fifty-three has already been told. Disregard, thank you.

****

MALE A: Terminal nine-four.

MALE B: Nine-four, go ahead.

MALE A: (Inaudible), do you know if the tunnels and bridges are closed at this time?

MALE B: A-affirmed.

MALE A: Okay, thank you.

MALE B: Three, over.

****

MALE A: Gateway two, nine-one.

MALE B: Nine-one, gateway two.

MALE A: Hey, can you give me a call at 6700?

MALE C: Departure.

****

MALE A: (Inaudible) two, four-nine, Bravo.

MALE B: (Inaudible) four (Inaudible). (PAUSE)

MALE C: Seven-zero, seven-five.

MALE D: Seven-five.

MALE C: Okay, we are going to have the outgoing flights sent up on the domestic belt, that's correct?

MALE D: Confirm, I thought that Delta ... see if you can use their number three belt. And let's get a departure level. There should be no one on departure, everything should be arrivals.

****

MALE A: Seven-zero, seven-two.

MALE B: Go ahead.

MALE A: (Inaudible) at this time. They can have those bags returned to the passengers, and the cargo returned to the cargo for storage.

MALE B: Affirm. Everything return to their orders, copy that.

****

MALE A: Nine-four, nine-one. (PAUSE)

MALE B: Nine-one, nine-four.

MALE A: (Inaudible), did you make it to the (Inaudible)?

MALE B: Yeah, we got about maybe 50 to 100 cabs there.

MALE A: We still have a long line in all three terminals?

MALE B: Yeah, that's affirmative. I'm going to dispatch them all out now, I'm going to empty the stack, but I don't know what to do with them, you can't get to New York.

MALE A: No, no New York fares. They cannot take a New York fare. Uh, those people can't go anywhere, because everything is closed.

MALE B: Roger.

FEMALE: (Inaudible)

MALE A: Can you also have the control desk call Newark (Inaudible) because we want to get these people ... as many as we can in New Jersey and elsewhere, out to their destinations.

MALE B: Roger. (PAUSE)

****

MALE A: Seven (Inaudible) seven-zero.

MALE B: Roger, and tell the people (Inaudible) I'll be back for a crew (Inaudible), copy that?

MALE A: Roger, (Inaudible) vehicle for B, so we'll be sending more people (Inaudible) A.

MALE B: I have three for A, copy that?

MALE A: Roger, this is going to ... attempt to ... four or five for B.

MALE B: Copy that, I also (Inaudible) out to the concessions, copy?

MALE A: Okay. (Inaudible) (PAUSE)

****

MALE A: Seven-zero, seven-two.

MALE B: Go ahead.

MALE A: The inquiries (Inaudible) the carriers, are they going to be letting any employees on to the airport.

MALE B: I believe employees will be allowed on with an ID, copy? No one will be allowed to be dropped off, pick up only, copy?

MALE A: Copy. (PAUSE)

****

MALE A: (Inaudible) seven-zero from Alpha.

MALE B: Go Alpha. (PAUSE) (Inaudible)

MALE A: Yeah, the group that I have, roger, at Terminal B, I need a conference , going express from there.

MALE B: Very good.

****

MALE A: Seven-zero, nine-one.

MALE B: Nine-one.

MALE A: Roger, did you take care of Terminals A and B to clear out people?

MALE B: Affirmed, copy that.

****

MALE A: Control desk, nine-one.

MALE B: Nine-one, go.

MALE A: I think our phones are out. Could you put a call into the city of Newark and (Inaudible) phone down there or the AT&T line for outside calls?

MALE B: Roger. (PAUSE)

****

MALE A: Nine-one, nine-four, I'm sending all the cabs out of the stack at this time. (PAUSE)

MALE B: Go eight-two for four-nine Bravo.

MALE C: Control desk, four-nine Bravo. (PAUSE) Four-nine Bravo, control desk.

MALE B: See if you can get Kelly on the radio for me and tell him I want all of the people out of the building.

MALE C: Roger.

****

FEMALE: (Inaudible) nine-two.

MALE A: Nine-two, control desk.

FEMALE: Be advised (Inaudible) called, he's en route but he may be late due to circumstances, copy?

MALE A: That's a roger, and staff is on board.

FEMALE: They're right here, thanks.

****

MALE A: Kelly one, control desk.

MALE B: Kelly one.

MALE A: Kelly one, as per four-nine Bravo, can you have all your people leave the building?

MALE B: Copy that.

MALE C: (Inaudible) one, meet me down in your office, I want all your people out.

MALE B: Copy that.

****

MALE A: Seven-zero, seven-five. (NOISES)

MALE B: Nine-one, nine-one, Charlie. (PAUSE) Nine-one, nine-one Charlie.

MALE C: Nine-one Charlie, nine-one.

MALE B: Yeah, Harry, be advised we are putting construction equipment in place on the edge of the Tower Road. And also, uh, the Captain's requested equipment up by the fuel farm , and the south end of the airport.

MALE C: Roger, copy. (PAUSE)

****

MALE A: Seven-zero, seven-five.

MALE B: Go ahead.

MALE A: Hey, seven-zero, with the (Inaudible) Malaysia, (Inaudible) 3000, Continental, is the plan to offload them and send all the bags back over to domestic?

MALE B: Affirmative.

MALE A: Copy that. (PAUSE)

****

MALE A: Nine-five to six-six-zero.

MALE B: Seven-zero, seven-zero Alpha.

MALE C: Alpha.

MALE B: Confirm we're leaving (Inaudible) B right now, right?

MALE C: I've got two more drop offs to make, I'll be there in a minute.

MALE B: Roger. (PAUSE)

****

MALE A: Oxford five, Bravo McKenna . (PAUSE)

MALE B: McKenna, go to Paul . (PAUSE)

MALE: (GARBLED/INAUDIBLE) (PAUSE) (1:35:51)

****

MALE A: Nine-one, seven-two, hotel.

MALE B: Seven-two hotel, go.

MALE A: It's a little confusing here, where are the busses picking up people, to take them either to the stations or the parking lot?

MALE B: Well, (Inaudible) should be the courtyard, as usual. Anybody going to D or station E is going to be on terminal departure level.

MALE A: Okay, Megan ... they have the departure level secure. I'm not sure, I'm working my way there now, uh, do you know any more about that?

MALE B: Negative. Last I heard, at the meeting recently, there was no mention of the departure levels closed. But let me know if you see any of the departure levels closed, we'll move the busses downstairs.

MALE A: All right, I'm working my way over there now. Nine-one, nine-four.

MALE C: Nine-four, go.

MALE A: All the departure levels are blocked off and closed. Buses are picking up everybody in the courtyard.

MALE C: Copy, all passengers to the courtyard, seven-two, hotel, you copy?

MALE B: I copy that, we'll start moving them now.

****

MALE A: (Inaudible) on Bravo.

MALE B: Four-nine Bravo, Oscar , seven.

MALE A: John, uh, go to four.

MALE C: Nine-four, gateway two.

MALE A: Go ahead.

MALE C: Is that the (Inaudible) in reference to passengers being picked up in the courtyard, is there any specific lane number?

MALE A: The usual ones, five and six.

MALE C: Okay, copy that. That's Alpha, Bravo, Charlie, five and six.

MALE A: That's affirmative. We've got signs for the monorail destinations on the buses. The other ones are (Inaudible) G and H as normal.

MALE C: That's a copy, thank you.

****

MALE A: Two-two-one, Oxford seven. (PAUSE)

FEMALE: Yes, Otis . (PAUSE) (Inaudible)

MALE B: Terminal nine-four.

MALE C: Nine-two, go.

MALE B: I totally know the answer already, did you find out if the PATH train is running?

MALE C: Roger, stand by.

MALE A: Oxford two, Oxford seven.

FEMALE: Go Oxford two. (PAUSE)

MALE C: Nine-four, control desk.

MALE B: Go ahead.

MALE C: That's negative on the PATH.

MALE B: Okay, it's still running?

MALE C: Negative, it's not operating, PATH.

MALE B: Okay, copy that.

MALE C: Jack, are you able to get in your car?

MALE B: Yeah, I'm going to pull it up to Terminal A taxi right now.

MALE C: All right, just go over there.

MALE D: (Inaudible) will be stepping in, (Inaudible) a meeting (Inaudible). (PAUSE)

****

(NOISE)

MALE A: Nine-one, nine-four.

MALE B: Nine-four, nine-one.

MALE A: The terminal B arrivals level, police are only letting taxis along the (Inaudible).

MALE B: Very good, same with A?

MALE A: Negative, anything can go past A.

MALE B: Roger. What's the taxi wait line look like?

MALE A: All of them (Inaudible) down to the end of the building, Terminal C, (Inaudible) to the canopy.

MALE B: Roger. And control desk, did we place calls to Newark? (PAUSE)

MALE C: Nine-one Brogan .

MALE B: Did you put calls into the City of Newark for taxis to the airport?

MALE C: That's affirmed, I requested all available cabs to respond to EWI, and to (Inaudible) from the Commissioner's office themselves.

MALE B: Roger, thank you. (PAUSE)

****

MALE A: Ten-five, Oxford seven. (1:42:22) Oxford five, Oxford seven.

MALE B: Oxford seven, go to four . (PAUSE)

****

MALE A: Seven-zero, seven (Inaudible).

FEMALE: (Inaudible) nine-one, Snow Desk.

MALE B: Snow Desk, nine-one.

FEMALE: I need a call immediately, 6096.

MALE B: Copy.

MALE A: Seven-zero, seven (Inaudible) to Russo . (PAUSE) Nine-one, seven to Russo . (PAUSE)

MALE C: Four-nine Bravo, (Inaudible).

MALE A: Nine-one, seven to Russo. (PAUSE) Seven-zero, seven to Russo .

MALE D: Seven-zero (Inaudible), go for seven-zero

MALE A: Ask them if these concessions are supposed to remain open or be closed.

MALE D: Roger, encourage them to stay open. Encourage them to stay open.

MALE A: Okay.

****

MALE A: (Inaudible) nine-oh for Oxford seven.

MALE B: Roger .

MALE A: John, can you go to Channel four? (PAUSE)

MALE C: Seven-two-oh, Channel four, nine-oh for American ... concessions are supposed to remain open.

MALE A: Seven-zero, what about the satellites, are we taking anyone out of there?

MALE D: Still got people out in the B-2 satellite, I'm trying to get them out of here now.

MALE E: I'm coming down now, Joe.

MALE D: Roger, Ken, I'm going over to B-3, and see if anybody is over there.

MALE E: Okay.

****

MALE A: Seven-zero, seven-five. (PAUSE) Seven-zero, seven-five.

MALE B: B-two security, control desk.

MALE C: B-two.

MALE B: Copy, one , can you assist with the removal of APACK , moving that B-2 satellite?

MALE C: Copy.

MALE B: You don't have to move the posts. Just direct them towards the exit. (PAUSE)

****

MALE A: Control desk, seven-five.

MALE B: Seven-five, desk.

MALE A: Neil , could you give Delta a call, and see if we could use their domestic phones? I've spoke to Customs, and they've approved the domestic operation with the cable splice.

MALE B: Roger.

****

(1:47:44)

MALE A: Oxford five, seven-five. (PAUSE)

MALE B: Go seven-five. (PAUSE)

MALE C: Oxford six, Oxford seven.

MALE D: I'm right there, stand by. (PAUSE)

****

MALE A: Seven-five, control desk.

MALE B: Control desk, seven-five.

MALE A: That's confirmed for Delta, that's okay.

MALE B: Copy that, thanks.

****

MALE A: Four-nine Bravo, seven-two hotel.

MALE B: Go, seven-two hotel.

MALE A: Let me know when B-3 is secure.

MALE B: Roger, Kenny, I'm over at B-3, I'm going to (Inaudible) right now. (PAUSE)

****

MALE A: Terminals, is (Inaudible) in this (Inaudible) B-2?

MALE B: Unit calling Terminals desk.

MALE A: Just hit the alarm, I want to open up this bathroom, B-2, (Inaudible).

MALE B: Roger, go ahead.

****

MALE A: Nine-four, nine-one. (PAUSE) Nine-four, nine-one.

MALE B: Go for nine-four.

MALE A: Just want to confirm, one more time, all busses operation is in the courtyard, we have no busses on any frontage.

MALE B: That's confirmed. (PAUSE)

****

MALE A: Seven-zero, from hotel.

MALE B: Hotel.

MALE A: It looks like Customs has the VSR closed, it looks like they're bringing ... trying to bring Malaysia bags up, do you know if they are allowing them in?

MALE B: Seven-two, hotel, seven-five.

MALE A: Go ahead, Larry .

MALE B: Okay, the keys , the outbound flights got Customs permission. They will come up on the domestic belt. We are going to have to offload the planes, and the belts, uh, coming up on the domestic.

MALE A: Roger, but at this time, Customs has the roadway closed. There's some worldwide people trying to get the Malaysia cans, and they won't allow them. I'm up in the connector right now.

MALE B: Seven-zero, copy all that. Copy with the last , thank you. (PAUSE)

****

MALE A: Oxford five, C-D-one. (PAUSE)

MALE B: Control desk, four-nine, Bravo.

MALE C: Four-nine Bravo, go.

MALE B: Okay, I'm over at B-3 satellite, security people over there to know if they should stay or are they to leave?

MALE C: All right, have them meet at the satellite, and then respond to the front of the satellite. At the entrance there, of the connector. (PAUSE)

****

MALE A: Nine-two, nine-zero. (PAUSE)

FEMALE: Nine-two. (PAUSE)

MALE A: Nine-two, are you reading nine-zero?

FEMALE: That's affirmed, nine-two.

MALE A: Yeah, roger, I saw a vehicle that (Inaudible), maybe (Inaudible) anybody looking to park, that there is probably a good chance that they are not going to fly out, better off not parking in the lot?

FEMALE: Roger, I'm meeting up with someone up here at this time, that's affirmed.

MALE A: Okay, thanks. (PAUSE)

****

MALE A: Oxford five, C-D-one. (PAUSE)

MALE B: Four-nine Bravo, Oxford five.

MALE C: Go, Oxford five. Go, Joe. (PAUSE)

MALE B: Oxford five, go to four. (PAUSE)

MALE A: Oxford five, C-D-one. (PAUSE)

(NOISES)

****

MALE A: Control desk, nine-one.

MALE B: Nine-one, go.

MALE A: Herman, do you have any phone numbers for other than Newark and Elizabeth taxis, if we need them?

MALE B: I once spoke to the Commissioner's office in Newark. Stand by for (Inaudible), if you're having a problem getting out on the phone.

MALE A: Yeah. (PAUSE)

MALE C: (Inaudible) stand by (Inaudible) mechanic. (PAUSE)

****

MALE A: Nine-one, nine-four.

MALE B: Nine-four, nine-one.

MALE A: Yeah, I got (Inaudible), and we're going to get more busses.

MALE B: Copy. How about taxis? How are we doing taxi-wise? Are we having (Overlap)

MALE A: Yeah, I am trying to make some phone calls. I'm walking out now to B, to see what's going on.

MALE B: Roger, because if we have to, we can call Jersey City, Bayonne, and any other neighboring town for taxi service, if they have it available.

MALE A: Copy. And nine-one, nine-zero?

MALE B: Nine-zero, no.

MALE A: Ed, listen, why don't we call Academy, Eddie Rosario, and just run all Academy busses for the (Inaudible) that runs them over. Why don't we use some of those at this time? Okay, we should have a lot of them down there not doing anything.

MALE B: All right, copy. Control desk, nine-one.

MALE C: Nine-one, copy. We'll make contact with Academy.

MALE B: Yeah, anything they can supply us, we'll take.

MALE C: Copy that, ten-five, three.

MALE B: And nine-four (Inaudible) one.

****

MALE A: Nine-one, nine-hundred.

MALE B: Nine-hundred, nine-one.

MALE A: Just to confirm that (Inaudible) entrances are open to allow vehicles to come and pick up customers.

MALE B: That's the way I was briefed, the police are letting pick-ups only. No deliveries, no construction vehicles. They will let taxis I, and anybody picking up a fare.

MALE A: Okay, roger, could you confirm that with somebody out in the field and get back to me?

MALE B: Roger, anybody available in the field can check entrance status.

****

MALE A: Nine-one, nine-four.

MALE B: Nine-four, go.

MALE A: The (Inaudible) for the cans can't get to the front (Inaudible) zoning, only come in one way. So you know you're through with that (Inaudible). Express (Inaudible) from the middle of Terminal A is clear though, I don't know the entrance. I'll try and make my way down there.

MALE B: Roger, see if you can get (Inaudible) the entrance bridge, see if we are letting cars in.

****

MALE A: Nine-one, nine-zero (Inaudible).

MALE B: (Inaudible) vehicular traffic, any (Inaudible) taxis are (Inaudible), pick up anybody stranded at the terminal, that may not have been communicated to the (Inaudible) site.

MALE A: Okay, yeah, their radio did not maybe work, and I'll pass that along, (Inaudible). (PAUSE)

****

MALE A: Nine-one, nine-zero, Quebec . (PAUSE) Nine-one, nine-zero, Quebec.

MALE B: Nine-zero, Quebec, go.

MALE A: Yeah, Harry, I'm near the entrance (Inaudible), I'll check that for you. But you've got hundreds of people waiting at the bottom of Terminal C, just hanging out waiting to get out of here.

MALE B: Roger, yeah, I just spoke to the desk, they are going to check on if that was communicated to the entrance first, they're letting ... anybody picking up people.

****

MALE A: Nine-two to control desk.

FEMALE: Nine-two.

MALE A: Could you give the desk a call, so the police know that?

FEMALE: Roger, I'll try to get through.

****

MALE A: Four-nine, Bravo, Kelly, one. (PAUSE)

MALE B: Nine-one, (Inaudible). (PAUSE)

MALE A: Four-nine, Bravo, Kelly, one.

MALE C: Snow Desk. (PAUSE) (2:03:17)

FEMALE: Snow Desk, nine-two.

MALE D: Nine-two, control desk.

FEMALE: Calling Snow Desk.

MALE D: Roger. (PAUSE)

****

MALE A: (Inaudible) Control Desk, seven-zero, Alpha.

MALE B: Calling seven-zero.

MALE A: Okay, confirm the (Inaudible), they need security at the screening points of the building.

MALE B: A minimum amount of employees, it should remain open, copy?

MALE A: Roger. (PAUSE) Roger.

****

MALE A: Nine-one, nine-four.

MALE B: Nine-four, nine-one.

MALE A: Uh, the police closed the (Inaudible) position counters, at least to D and C. So right now I have them in the courtyard, directing traffic.

MALE B: Copy, do we have any limousines arriving to pick people up?

MALE A: I'm seeing very few.

MALE B: Copy. What about taxis, do we still have available taxis?

MALE A: That I don't know at this moment, I'm going to see now.

MALE B: (Inaudible) downtown Newark, we could use one of our busses to transfer them off the airport.

MALE A: Roger.

MALE B: Thank you.

****

MALE A: Nine-one, control desk.

MALE B: Control desk, go.

MALE A: I made contact with coach, requested fifteen busses right off the bat, they'll call me back and let me know.

MALE B: Copy.

MALE A: Nine-one, nine-zero, Quebec.

MALE C: Nine-zero, Quebec, go.

MALE A: The entrance bridge is open. It's ... there's nothing on it but it's wide open.

MALE C: All right, very good, thanks.

****

MALE A: Nine-one, five one? (PAUSE)

MALE B: Calling nine-one?

MALE A: Yeah, Harry, are we going to continue to run busses to get people out of here?

MALE B: What type of busses?

MALE A: Well, we've got airline people that need to get to (Inaudible), and we've got passengers that are looking to get to public transportation.

MALE B: Do we have public transportation showing up?

MALE A: There's no busses here at all.

MALE B: Nine-zero, nine-one. (PAUSE)

MALE C: Nine-one, nine-hundred.

MALE B: Nine-hundred, go.

MALE C: Nine-one, we need to work out the police (Inaudible) cross purposes here. We need to allow transportation from the ... to the terminal frontages. And I understand that V&C (Inaudible) protection counter , was shut down.

MALE B: Any time , but right now we are not getting any limousines showing up that would use those counters. And from what I understand, we have no public transportation coming to the airport. So I'm looking ... I've asked nine-zero if he wants to use our parking lot busses to run passenger service down to downtown Newark.

MALE C: Nine-four, (Inaudible) message.

MALE B: Copy, nine-four, nine-one.

MALE D: Go ahead, nine-one.

MALE B: You copy that for Lot F and downtown Newark, we can use any available busses that we have to run a service down there.

MALE D: Okay, I'll use what we got. We've got the twelve and the three.

MALE B: Yeah, maybe dedicate three of them to that type of route. And we should be getting the other fifteen shortly. Control desk, (Inaudible).

MALE E: (Inaudible), go ahead.

MALE B: Could you give Continental a call, and verity that they're still running all F service?

MALE E: Roger.

****

MALE A: (Inaudible) to hotel, four-nine, Bravo.

MALE B: Go ahead, Joe.

MALE A: Kenny, get any B-2, B-3 secured, and operations level. And I have a security guard at B-3 at Air One, at the beginning we had just at the entrance of B-3 and one at the end, to make sure nobody comes up on the ramp, and nobody goes out.

MALE B: Thank you, Joe.

MALE A: Roger.

****

FEMALE: Nine-one, nine-two.

MALE A: Nine-two, go.

FEMALE: (Inaudible) car service. (STATIC)

MALE A: Copy, uh, they should be right (Inaudible) out to the frontage, they should be the only thing that they're letting on.

FEMALE: Negative. They are not even letting taxis on, they are making them go on to the courtyard. (PAUSE)

MALE A: Are you there with the officer? Maybe they can contact the desk on Channel X-ray, and verify that, I'm not sure if the word got communicated out.

FEMALE: Roger.

****

MALE A: Nine-one, seven-zero Alpha? (PAUSE) Nine-one, seven-zero Alpha?

MALE B: Calling nine-one?

MALE A: Harry, I'm getting reports that the New Jersey turnpike is closed. It is going to make it difficult for people to leave that are using that. Have you heard that?

MALE B: Uh ... stand by. (PAUSE)

MALE C: Seven-two, hotel, seven-two.

MALE D: Go ahead, John.

MALE C: Did you speak to Canada 3000, and do you know if they have any representatives still around?

MALE D: I'm up on the departures level, I'll take a look. There is no one in the satellites, though.

MALE C: Okay, because if we (Inaudible) see a (Inaudible) security aircraft on to the (Inaudible) there, and it's not a (Inaudible) airplane.

MALE D: Okay, stand by, I'll walk by there now. (PAUSE)

MALE C: Seven-two (Inaudible).

MALE D: Go ahead.

MALE C: Yeah, I was just speaking to Canada 3000 about off-loading the planes and bringing them (Inaudible). The message that Peter said, all the workers are gone. The flight crew is gone and Canada 3000 reps are gone.

MALE D: Okay, all crew is gone, all reps are gone.

MALE C: Roger, to the best of my knowledge, affirmative.

MALE D: Roger.

****

MALE A: (Inaudible), nine-one, available for phone call?

MALE B: Affirm, 6018.

MALE A: Roger that.

****

MALE A: Seven-two for hotel.

MALE B: (Inaudible) Walter , seven-two.

MALE C: Seven-zero, one hundred. (PAUSE) Seven-zero, one hundred.

MALE D: One hundred.

MALE C: Six-zero, two taxis.

MALE D: Copy that.

MALE A: Seven-two for hotel.

MALE B: Go ahead.

MALE A: I got reps from Malaysia here, uh, you need them to move the plane? Or (Inaudible).

MALE B: Somebody spoke to Malaysia already about moving the aircraft to the (Inaudible) stand.

MALE A: Okay.

****

MALE A: Nine-hundred, Mallick .

MALE B: Go ahead.

MALE A: In building ten, we're not receiving calls.

MALE B: Roger that. (PAUSE) One hundred, it's ringing but I guess it's not getting through. (PAUSE) (2:12:22)

****

MALE A: One-hundred, seven-zero.

MALE B: Nine-one, nine-four. (PAUSE) Nine-one, nine-four.

MALE C: Nine-four, nine-one.

MALE B: Okay, so far, (Inaudible) coming to the airport are the (Inaudible) airport parking car vans.

MALE C: Copy, are we completely out of taxis?

MALE B: Not yet, but we are down to a few.

MALE C: All right, we still have long lines at all three terminals for taxi service?

MALE B: Say again?

MALE C: Do we still have long lines at the terminals for taxi service?

MALE B: That's affirmative.

MALE C: All right, could they poll the passengers there and see if a lot of people are looking to get to downtown Newark, and we could direct them or bring a bus up there, or for a route down there.

MALE B: Roger.

****

MALE A: Oxford (Glitch) (PAUSE) Oxford six, seven-two. (PAUSE)

MALE B: Seven-two, go for Oxford seven.

MALE C: Oxford seven, if possible, could we have all jet waste pulled off the aircraft, and remaining aircraft with be two-B-three .

MALE B: (NOISES) (GARBLED)

****

MALE A: (GARBLED) seven-zero. (PAUSE)

MALE B: Oxford five ... Oxford seven.

MALE C: Oxford seven, go to four. (PAUSE)

MALE D: Seven-zero, do you read nine-seven-whiskey? (PAUSE) Seven-zero, nine-seven whiskey.

MALE E: Nine-seven whiskey, seven-zero (Inaudible), can I help you, Ward .

MALE D: Roger. Where can Gary Davis send a staff to assist you?

MALE F: That's affirmed, Oxford seven, belt mechanic, go to four please.

MALE G: Seven-zero whiskey, the area is the terminal B control center.

MALE E: Roger, terminal B control center. (PAUSE)

****

MALE A: Terminal nine-four? (2:15:35) Terminal nine-four?

MALE B: Nine-two, go.

MALE A: Do you know if the employee lot is running?

MALE B: That's affirmed, yes, the employee lot is in operation.

MALE C: Seven-two, Alpha, Oxford seven.

MALE D: Oxford seven, seven-two.

MALE C: Uh ... one of the mechanics is going through all the (Inaudible) with planes on, and is going through, uh ... detach the jet legs , you copy?

MALE D: Affirmative. Now, Malaysia, they're going to be relocated. They are doing (Inaudible), detaching. If not, we'll wait for them when you're ready to relocate the aircraft.

MALE C: Okay, copy, but I just sent instructions for them to pull any attached jet lets off of the aircraft.

****

MALE A: Seven-two, hotel, seven-zero, alpha.

MALE B: Go ahead, alpha.

MALE A: Jason, where is the turnkey operation at B?

MALE B: Uh, there is none right now. They're not allowing the ... the busses ... the cabs up to the stand at this time.

MALE A: Okay, how about the courtyard?

MALE B: Yeah, I am making my way over there right now.

MALE C: Nine-one, nine-four.

MALE D: Nine-four, go.

MALE C: Uh, (Inaudible) just tells me that the C courtyard is closed.

MALE D: All right, let me check with the police. Uh ... do you want to verify that before I go over there?

MALE C: I got to walk the length of B, because I can't drive over there. I just spoke to the cops at B, they're letting the cabs in B now.

MALE D: Yeah, maybe check at C, maybe that wasn't communicated either.

****

MALE A: Nine-four, control desk.

MALE B: Go ahead.

MALE A: Okay, Jack, I was able to make contact with the (Inaudible) taxi (Inaudible), requesting vehicles (Inaudible). And I reached out to (Inaudible) requesting for fifteen buses to respond to PD south (Inaudible), and we'll try to bus over there ... so they are going to call me back with exactly how many buses they can send. I'll keep you posted.

MALE B: Roger.

MALE C: Nine-one, nine-zero, Quebec.

MALE D: This is Quebec, go ahead.

MALE C: Yeah, Harry, do you know anything about closing all the hourly lots down? The police are requesting AFCO , to shut all hourly parking lots down.

MALE D: I'll verify that. I know the alternate frontage and the limo lot were closed. This is the first I've heard about all hourly's so I'll check.

MALE C: Roger, I'll stand by with AFCO. I have ... I'm with Bruce (Inaudible) and Gary Shepko , CPD.

MALE D: All right, let me verify that.

MALE E: Seven-zero, one-hundred, George, disregard for Gary.

MALE D: Copy that. (PAUSE) (2:19:40)

****

MALE A: Nine-two and nine-four from nine-one.

FEMALE: Nine-two.

MALE A: The ... the parking status, the only parking lots that are closed are the hourly lots, which are under the building, which are the limo lots and the alternate roadways. All other D-J parking lots are open. And any (Inaudible) would be under the buildings.

FEMALE: Nine-two, copy.

MALE B: Nine-four, copy. (PAUSE)

****

MALE A: Nine-one, nine-four.

MALE B: Nine-four, go.

MALE A: Okay, the police have the arrivals and departures closed. And they are now only letting cabs on B-arrivals, which means that the busses cannot get to C Courtyard. (PAUSE)

MALE B: All right, let me ... let me go back over there, to tell them to let the busses through again. (PAUSE)

****

MALE A: Oxford five, oxford seven.

MALE B: Oxford seven, go to (Inaudible). (PAUSE)

MALE C: Nine-one, nine-zero, Quebec.

MALE D: (Inaudible) Quebec, go.

MALE C: Yeah, Harry, on your way back to the police desk, we are getting conflicting reports here, because they are in fact telling F-O to shut all entrances into the alleys, as well as daily lots.

MALE D: All right, negative, I just confirmed that with Lieutenant Toomie . The alley entrance lanes in the CT-8 will remain opened. The only things closed are the limo lots, or any portion of roadway which goes underneath the building and express road.

MALE C: Roger, I understand that, we'll get a nine , in terms of all that .

MALE D: Okay, that was from Lieutenant Toomie. And any other calls that Coed gets, tell him to disregard.

MALE C: Roger that.

****

MALE A: Control desk, nine hundred.

MALE B: Go for control decks.

MALE A: Roger, could you make contact with our hotel operator, and advise them not to bring anyone to the facility, just to confirm that?

MALE B: Roger that. (PAUSE)

****

(2:23:00)

MALE A: Seven-zero, nine-seven, Kilo.

MALE B: Oxford seven, (Inaudible) mechanic.

MALE C: Nine-one, nine-four. (PAUSE)

MALE A: Seven-zero, nine-seven, Kilo.

MALE D: Go, Kilo.

MALE A: All right, if you can get people to Newark, the PATH system is still working, so they can get into Manhattan on PATH, got it?

MALE D: Seven-zero, copy, going to (Glitch) do you copy ...

****

MALE A: Seven-zero, (Inaudible)

MALE B: Gary advises PATH is operating to Manhattan, copy?

MALE A: Roger, PATH operating to Manhattan.

MALE C: Okay, ninety-four, copy, staffers aren't working. (PAUSE) (2:23:30)

MALE D: (Inaudible) service. (GLITCHES/NOISES) (PAUSE) (Inaudible) service. (PAUSE) (Inaudible) Kelly (Inaudible) service. (PAUSE)

****

MALE A: Seven-six Fabian , seven-zero. (PAUSE) Seven-six Fabian, seven-zero. (2:26:43) Seven-zero, seven-six.

MALE B: Roger, Malaysia said that that was shut down?

MALE A: Uh, Rick, Oxford six. Seven-six. (PAUSE) Oxford six, seven-six.

MALE C: (Inaudible), go for Oxford seven.

MALE A: Seven, we need the inbound domestic four turned on ASAP.

MALE C: That's a copy, I'll let Oxford five know.

****

(PAUSE)

MALE A: Seven-two, seven-zero.

MALE B: Go ahead for seven-two.

MALE A: Bill, do you know the status of the luggage for the outbound London flight?

(PAUSE)

MALE B: Okay, last we heard, it's still sitting outside of the aircraft. They were instructed to return to the pastures. However, because of that loading incident (Inaudible), they (Inaudible).

MALE A: Okay, sir, as of this point there's no time when the London passengers will be getting their luggage.

MALE B: Stand by, I'll get right back to you, Tom.

MALE A: Okay, thanks, sir. (PAUSE)

MALE B: Seven-two (Inaudible) seven-two.

MALE A: Go, seven-two.

MALE B: Okay, per nine-nine there, contact ground control before you escort them.

MALE A: That's a roger, thank you, sir. (PAUSE)

****

(2:29:49)

MALE A: Nine-one, Charlie, nine-zero. (PAUSE) Nine-one, Charlie, nine-zero.

MALE B: Go, nine-zero.

MALE A: Jim, I don't know who you should let know, but the construction gate, the (Inaudible) gate in the new tower, that needs to be secured. It's wide open.

MALE B: Roger, uh, what's the location? Are you anywhere near (Inaudible)? I got no cell phone service.

MALE A: Uh, okay, we'll make our way around there, and we'll let them know, thanks.

MALE B: Okay.

MALE C: Nine-four, nine-one. (PAUSE) Nine-four, nine-one. (PAUSE) Nine-two, nine-one.

FEMALE: Nine-two.

MALE C: Are the (Inaudible) employee lot busses running?

FEMALE: That's affirmative, (Inaudible) running too, I see quite a few people have been walking to the lot at this time.

MALE C: Copy.

****

MALE A: Eight-one, four-eight. (PAUSE) (2:31:48) Nine-two, four eight.

FEMALE: Go, four-eight.

MALE A: If possible, could you give the snow desk a call? If not, we have a (Inaudible) woman down in the (Inaudible) courtyard. (LOUD NOISES)

MALE B: Okay, roger.

FEMALE: (Inaudible), you were cut off.

MALE A: There are over one hundred employees at Charlie One courtyard that need transportation.

FEMALE: Roger, we're aware, buses are running, but like I said there's very few.

MALE A: All right, copy. (PAUSE)

****

MALE A: Seven-zero, Papa , seven-two.

MALE B: Go ahead, seven-two.

MALE A: Okay, at trans-pack , terminal, we're at terminal C, that (Inaudible) the person will come over to send the bags up and relocate the cargo in the aircraft.

MALE B: Copy, thanks. (PAUSE) (2:33:36)

FEMALE: (Inaudible)

****

MALE A: Seven-zero, seven-six.

MALE B: Seven-six.

MALE A: Sir, just be advised, we have some (Inaudible) that we are going to have (GLITCHES/GARBLED)

MALE B: Tommy, you're broken up.

MALE A: Ask the Malaysia (Inaudible) their bags up. Continental will send their London baas up, I just talked to Joe Kunkle .

MALE B: Affirmative, thank you. (PAUSE)

****

(2:35:12)

MALE A: Nine-two, nine-four.

FEMALE: Nine-two.

MALE A: Can you confirm that they are still allowing parking in Lot Delta?

FEMALE: That's a negative, Lot Delta is closed.

MALE A: Roger, copy.

FEMALE: It's closed due to saturation. (PAUSE)

(NOISES)

****

MALE A: Eight-one, three (Inaudible).

MALE B: Eight-one (Inaudible).

MALE A: Eight-one, I have (Inaudible) officer (Inaudible)

(GARBLED/STATIC)

MALE A: Nine-one, nine-zero. (PAUSE) Nine-one, nine-zero? (PAUSE) Nine-one, control desk.

MALE C: Control desk, nine-one.

MALE A: Roger, give us a call, 6154. Also there is (Inaudible) at Building 80.

MALE C: Copy.

MALE A: Nine-one, nine-zero.

MALE B: Nine-zero, go.

MALE A: Have we gotten any additional staff in that we requested?

MALE B: Joe Coney , and Carolyn Thompson are on the way over to the control desk now.

MALE A: Okay, roger. I think that the biggest thing right now is trying to move people from the terminals to wherever they have to go. It's mostly employees and people looking to take cabs, Harry.

MALE B: Copy, (Inaudible) (GARBLED) ... sponsors , for anybody wanting to go to Penn Station in Newark, downtown Newark, that should get rid of at least some of the lines, I would hope.

MALE A: Okay, roger.

MALE B: It doesn't look like we are going to be getting the taxi service returning in good supply.

MALE A: Okay, roger. Anything with Auto Cabs? Or was New York City hull let go?

MALE B: Norman made contact, they were going to go into S .

MALE A: Okay, roger.

MALE B: (Inaudible), anyone, I can't call.

MALE A: Roger. (PAUSE)

MALE C: Nine-one, we are able to call out but we can't receive calls.

MALE A: That's affirmed, yeah, you can make outside calls, but no receipt.

MALE B: Okay, I just want to roger, we have some PA staff here. We have nine-one Carolyn Thompson, Joe Coney, and two of the Port Authority representatives. Also, Ron Madier is inquiring how can they have their route people come in?

****

MALE A: Seven-two, Sierra, seven-two.

MALE B: Go seven-two.

MALE A: When you get a chance, call seven-two Whiskey.

MALE B: Copy that, thank you.

****

MALE A: Control desk, nine-one, make sure that their stopped at the entrance, they should show their airport ID and company ID to the officer there.

MALE B: Roger, I just want to roger I have Carolyn here with me, ready to be of assistance.

MALE A: (Inaudible) from seven-zero and Tom, and checking the terminals for passenger flow issues, helping nine-two and nine-four get people waiting out of the terminal (Inaudible) to their destinations.

MALE B: Roger, nine-one, alpha copy.

FEMALE: Sorry, can you repeat ... repeat the last .

(NOISES) (PAUSE)

****

MALE A: Seven-zero, up.

MALE B: Up.

MALE A: We've been directed ... for us to call Rich Codd, C-O-D-D, and I have a number when you're ready to copy.

MALE B: Go with that number.

MALE A: 973-565-5540.

(INAUDIBLE SECTION)

MALE A: No problem, thanks.

MALE B: (Inaudible).

MALE A: All right, bye.

MALE B: Bye-bye. (LONG PAUSE)

(INAUDIBLE SECTION - LOUD BUZZ)

MALE A: A plane just flew in the World Trade Center, we have about (Overlap)

MALE B: Okay.

MALE A: We have (Inaudible).

MALE B: No, I don't. But listen, my sister works in one of the towers on the upper floors. Can you tell me what tower it hit, what floors (Inaudible), do you know which building (Inaudible)? (PAUSE) South Tower, (Inaudible) Trade Center? (PAUSE) Tower One (Inaudible) Trade Center?

MALE A: Yeah, (Inaudible).

MALE B: (Inaudible) hit? She's not up that high.

MALE A: Ninety-nine (Inaudible).

MALE B: Okay, just the ninety-nine.

MALE A: (Inaudible)

MALE B: Okay, thank you.

MALE A: All right.

MALE B: Bye.

MALE B: (Inaudible)

****

(INAUDIBLE SECTION - LOUD BUZZ)

MALE A: Port Authority (Inaudible).

MALE B: (Inaudible) World Trade Center ... do you have a reported hijacking, (Inaudible)?

MALE A: No.

MALE B: Okay. (52:49)

MALE A: No, what we've heard earlier, (Inaudible)

MALE B: Okay. Do you know what time that was?

MALE A: That was early.

MALE B: All right, that's (Inaudible).

MALE A: They're saying that that's one of the aircraft that hit the building.

MALE B: (Inaudible).

MALE A: No.

MALE B: All right, thank you.

MALE A: Okay.

MALE B: Bye.

****
